

The registration contract will not be available online until after Returning Family Registration Day (March 23). Returning families must use the prefilled contract that was placed inside their Course Catalog in the Family Mailbox Folders on March 2.

New Families may receive a copy of the Registration Contract by sending an email to info@legacyhc.org.

Do NOT use the 2017-2018 registration contract. We will be unable to accept that version of the contract for the upcoming school year.
